

A WORD FROM THE GM

Welcome to the first quarter issue of the Centennial Plaza Tenant Newsletter for 2019.

Welcome back for another year and we hope that all CP tenants enjoyed a relaxing and enjoyable Xmas and holiday season. During the quieter period of late December and early January building management worked closely with cleaning staff to do detailed cleaning of common areas around the site such as showers and bathrooms, steam cleaned carpets and rugs, pressure washed retail areas, stairs, signage and shade sails and detailed all leather furnishings to make the buildings nice and fresh for a new year.

Our Management team looks forward to servicing the building and continuing to work closely with our tenants into 2019. As always, if there are any issues or queries, please don't hesitate to contact one of our team.
